Special 100th Anniversary Program Facts:

The Auxiliary Emergency fund was established in 1969 by the National Executive Committee, as National President Marcella Davidson, Department of New Mexico, started this as her special project. It was funded initially through a generous legacy gift from Auxiliary member Helen Colby Small of Burlington, Wisconsin. The AEF is now able to continue to grant assistance through voluntary contributions. The Auxiliary promotes awareness of the fund, disseminates information about the application process, and solicits donations from units, departments, and individual members in order to continue its availability as a resource to help members in certain dire states. A national AEF grant review committee awards AEF grants to applicants based on criteria, membership, and fund availability.

In 1981, the AEF program was expanded to include a fund to help members who needed to support themselves due to unexpected life-changing circumstances such as death or illness of a spouse, divorce, or desertion. Those women found it difficult to obtain employment, and who are without the job skills necessary to obtain adequate employment. Because of this, short-term assistance can now be provided to help our members acquire marketable job skills through schooling or job training when all other sources of financial aid have been exhausted. This was called the Displaced Homemakers Fund. With the continuous generosity of our unit members, the funds allowed a wider use of the benefits to our members and it continues today. The first AEF grant amount was \$150 and today the grant amount is for \$2,400 that our members may be eligible to receive. Since the AEF Program's existence, our members have received an estimated \$5.8 million, with over \$6 million in donations from our generous members.
